<b>Witness Statement (Continue on back page and sign if more space needed)</b>			
<p>At approximately 2:00pm on March 1, 2023, I was driving behind a red car with license plate VRR 124 and we were travelling east on 57<sup>th</sup> Avenue. The blue SUV license BBW 554 was travelling southbound on Knight Street. At the intersection of Knight Street and 57<sup>th</sup> Avenue in Vancouver, BC the two vehicles collided as the blue SUV failed to stop at the red light.</p> <p>I pulled over to the side and observed one man in the red car get out of his vehicle to observe the damage and collect the particulars from the driver of the blue SUV. There were two individuals in the blue SUV. The male was the driver, and a female was the passenger. The female remained in the vehicle while the male got out to observe the damage with the other driver.</p> <p>The police arrived at 2:20pm and I gave my information to them as well as a statement before driving away from the area.</p>
